Pimpri Chinchwad College of Engineering (PCCOE) established in 1999 & is run by the Pimpri Chinchwad Education Trust (PCET), one of the promising Institutes in the quality & professional education. PCCOE has been imparting value added quality education to satisfy the needs and expectations of the stakeholders like students, parents, industry etc. Focused efforts are made to achieve this by providing state-of-the-art Engineering and Management education to students. The entire working is based on an indigenously designed Institute development philosophy profoundly known as four pillars of PCCOE namely, Academic Excellence, Research and Innovation, Professional Competence and Social Commitment. In order to provide global platform to students and faculty members, one more vertical is added in our working model in the form of International Relations for academic and research exchange with foreign universities. Quality Assurance cell is well established to look after quality aspect in day-to-day functioning of the institute. Stringent academic monitoring and control has led towards qualitative results and placements, thereby becoming the most opted Institute for admissions by engineering aspirants in and around Pune and all over the state of Maharashtra.

This booklet gives comprehensive information on the existing rules and regulations for MCA programme. MCA programme is given a direction to excel in academics through these rules and regulations approved by the academic council from time to time, keeping in view the ever-growing challenges and new developments.
